November 2018

Good Morning Brethren,

I hope that everyone is enjoying the fall weather. As the leaves begin to turn, the cooler weather sets in, and we start preparing for the winter months ahead; rest assured the masonic events aren't slowing down. As you are aware the new officers and lines are being formed and planning for next year has begun. Please continue the phenomenal support to the incoming officers as you have provided me this year!

Mark your calendars, we will be having a Master Mason degree for Kristopher Greenwell on November 14th. I will be sending out an additional email for the cast. If you are able to support please let me know soonest.

I would like to close by reminding **ALL** who use Unity Lodge for events, meeting, dinners, and socially that it is your responsibility to leave the lodge as you found it. Over the last several months there has been multiple time where this has not happened. Some examples are: the coffee pot basket was left on the hot burner and it was melted, the gas was left on on the stove, the oven was left on on the electric stove, the side door was rigged to stay open, dirty dishes, and trash left in the dinning room and lodge to name a few... In addition, *if you use supplies at the lodge please replace them*. As you all know operating costs can add up quickly.

We are happy to support others as needed but **please** take the extra time to ensure everything is the way you found it, turned off and locked up before you leave.
