

OF ANCIENT, FREE AND ACCEPTED MASONS OF THE COMMONWEALTH OF VIRGINIA

DOUGLAS V. JONES, P.G.M. Grand Secretary 4115 NINE MILE ROAD RICHMOND, VIRGINIA 23223-4926

Dear Interested Individual:

Shown on the next two pages is our "Petition for the Degrees," which is to be completed in its entirety by a man interested in membership, who is at least eighteen (18) years of age, a resident of Virginia for the past twelve months, and who has had two Masons in good standing sign his petition. Along with the two-page petition is a "Disclosure and Authorization For Consumer Reports" form that gives the Grand Lodge of Virginia the right to perform a background check on you.

Upon their completion, the petition and authorization form will need to be submitted to a local Lodge, along with the Lodge's required fees for a petition and background check. When printing out the petition, please print it on two sides, if at all possible. Please note that documents with sensitive personally identifiable information such as Social Security numbers and birth date must be stored securely, electronic versions shall be password protected, and must be encrypted when electronically (e-mailed) transmitted.

The usual process that follows is that your petition for degrees will be presented to the Lodge at its next meeting. The background check will be done and the final report is sent to you. A committee composed of three members of the Lodge will meet with you to answer any questions that you or your family may have concerning our Fraternity. The committee in turn will present their report to the Lodge, after which the Lodge will act upon your request.

If you have any further questions regarding this process, please contact the Grand Lodge office at 804-222-3110 or send an e-mail directly to me at grandsecretary@grandlodgeofvirginia.org.

Sincerely,

Douglas V. Jones, PGM

Grand Secretary

As the exact nature of the Institution of Freemasonry is unknown to you, it is deemed advisable that before signing the attached petition you should be informed on certain phases of that Institution which may affect your decision to apply for membership therein.

Freemasonry has in all ages required that men should come to its door entirely of their own free will; not as the result of importunity nor from feelings of curiosity; but from a favorable opinion of the Institution, a desire for knowledge, and a sincere wish to be serviceable to their fellow creatures.

Masonry is a system of morality based on the belief in the existence of God, the immortality of the soul, and the brotherhood of men; therefore no atheist can be made a Mason. It strives to teach a man the duty he owes to God, to his country, to his family, to his neighbor, and to himself. It inculcates the practice of every virtue and makes an extensive use of symbolism in its teachings. It interferes with neither religion nor politics, but strives only after light and truth, endeavoring always to bring out the highest and noblest qualities of men.

The Masonic Fraternity is in no sense an insurance society; neither does it pay benefits in case of sickness or death. In a correct and broad sense, it is both educational and charitable. It extends such assistance only as it is willing and able to grant. It knowingly admits none to membership except those who are able to provide for themselves and those dependent upon them.
